(Research Center)

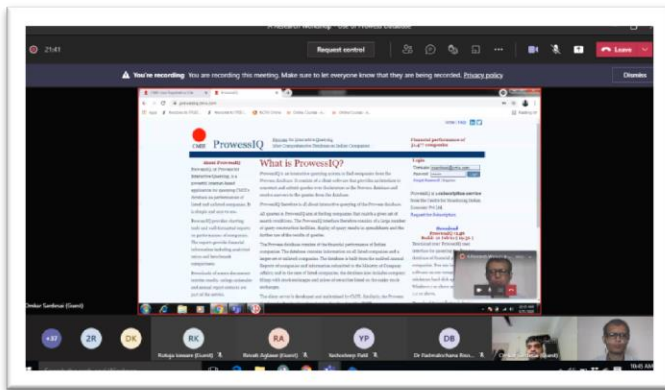

Research Workshop

Use of Prowess Database

21st March 2021

The Research Centre of Pimpri Chinchwad Education Trust's S.B. Patil Institute of Management first time conducted the Research Workshop on digital platform due to Amid Covid-19. The research workshop intended to enhance the research ability of the students and promote the research culture among the students. The workshop also focused on the enhancement of teaching learning process and research. The Research Workshop was conducted on 21st March 2021 at 10.30 am.

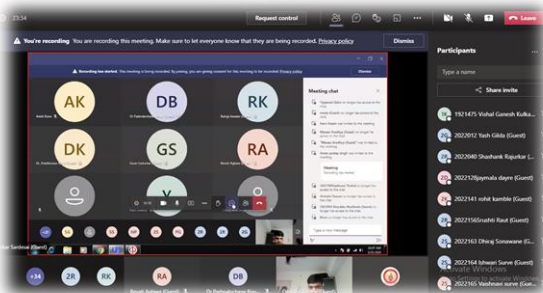

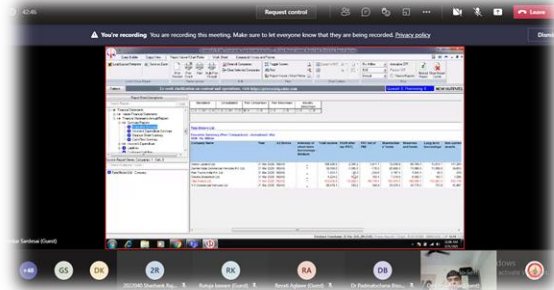

Dr. Bhushan Pardeshi, Assistant Professor and Head of Department (Research) briefed about the workshop and welcomed Mr. Omkar Sardesai (Business Relationship Manager, CMIE). Dr. Kirti Dharwadkar (Director, SBPIM) expresses the importance of data in research and how to adopt in regular teaching learning

process.

The Workshop Resource Person Mr. Omkar Sardesai through his extensive presentation highlighted the salient feature of Prowess Database. In the workshop he provided the hand on training on the extraction of data as per the requirement of the user. The Prowess database is mostly used by the researchers across India. He also focused on how to use the database for data analysis and draw inferences from the data analysis.

The faculty of SBPIM and PCCEO were attended the workshop alongwith eighty four MBA first year students.

Dr. Bhushan Pardeshi expresses the vote of thanks. He express his gratitude to Mr. Omkar Sardesai for accepting the invitation and sharing his knowledge and expertise in this field. He also thanked to the trustees and board member of PCET as well as the Director SBPIM and all the participants who were actively involved in the successful conduction of the Research Workshop.

Dr. Kirti Dharwadkar
Director, SBPIM
