Mandal's Arts, Commerce and Science College , Narayangaon, Junnar, Pune and organized by college IQAC, Department of Commerce and Research Centre, IQAC Cluster Maharashtra and UGC –Human Resource Development Centre , Savitribai Phule Pune University. Sir was the Chief Guest and also inaugurated the function. Sir inspired the participants to take up research activities as it has become the need of the hour. Sir also tried to motivate the participants towards research by explaining the implications at global level. He said that the teacher at international level majorly focuses on research activities, which also helps them to change the way they impart knowledge to the students. If the teachers focus on research more, they are able to take up case study as their pedagogy. Since most of the teachers were from rural background, they were unaware of the latest technological advancement in the field of research. The outcome of the programme was a bunch of highly motivated teachers' looking forward to undertake Research Activities earnestly.
