Pradhikaran, Pune-411 044.

Inaugural Program:

The inaugural program was chaired by Dr. Daniel Penkar, Director-SBPIM, Mr. Bhaijan Kazi, Trustee, PCET, Chief Guest Ms. Manjiri Biechay, Chairman, Orbittal, Pune, Guest of Honour was Mr. Niraj Shah, Director, Silver Bright, Pune. The conference inaugurated by lighting of lamp with the hands of dignitaries present on the dais. All the dignitaries released the conference proceeding.

The programme started with the welcome of the delegates with flower bouquets followed by the welcome address by Dr. Daniel Penkar, Director, SBPIM.

Dr. Daniel Penkar welcomed the Participants and addressed them with his motivational words. He highlighted the 1948 Industrial Policy, 1991 Liberalization, Privatization and

Globalization (LPG), the importance of IIM & IITs, literacy rate in the country, and growth in agricultural sector and mentioned the basic problems in defense and security of the country and that we need to bring reforms in such areas. He is of the view that the soldier and the farmer are the two important pillars of the nation. Sir

spoke about the myths as how IT sector is considered as major contributor national GDP. He ended the session on a very powerful note that if we really want India to be a developed country; we need to work on

“greens but not on guns”

The audience was addressed by Hon. Bhajjan Kazi- Trustee, Pimpri Chinchwad Education Trust addresses the participants about the benchmark policies of India that took place after the independence.

Mr. Niraj Shah, Director, Silver Bright, Pune started his speech by expressing that entrepreneurs live in a bubble and they was born with an *eternal optimists that see everything positive in spite of which of which ever state they are in*. He explained how the

two recent economic reforms – Demonetization and GST affected his business resulting in chaos, loss of sale, labor and profit. On the positive side market was stabilized and competence on an equal background. He spoke about the myths – the IT sector’s contribution to the GDP is only a drop in the ocean, comparing the infrastructure of various

cities is not the only benchmark. He also spoke about the concept ‘Industry 4.0’ - which is a combination of both IT and manufacturing. He concluded his speech by saying “Experience supersedes education”.

Ms. Manjiri Biechay, Chairman, Orbital, Pune in her address spoke on the recent economic reforms taken by the government - Demonetization and GST scheme benefitted her company. She expressed that the GST move was very helpful in reducing their burden of filing

different taxes. She was very optimistic about “Make in India” decision. Her message to the students was:-

“Take Challenges, Accept it & Go ahead”.

“Be focused; be clear of your goals and visions”.

“Remember your values, polish them and implement them to become successful”.

SESSION – II

A key note session was given by Dr. Santosh Dastane, Head Research IBMR, Pune highlighted who spoke about the scenario which existed in India before the economic reform era. He explained how only 4 or 5 licenses would be given to steel, electrical power,

how license owners powerful empires in market. Where of how getting the scooter took him then briefed us Post 1991, the changed regarding is a public private

communication and built up huge and had monopoly he shared his story delivery of his huge 8 years. He about the reforms scenario has all aspects i.e. there partnership (PPP),

banking sector has evolved, India is now debt free, there is sufficient currency in the country and there is high competition. He also spoke about the negligence of agriculture sector in last 24years and farmers committing suicide. He concluded his speech by saying:-

“Election is a short term phenomenon but development is a long term”.

SESSION – III

The post lunch session guest was Dr. Gour Gopal Banik, Guwahati University, Assam spoke on Study of GST On An International Perspective With Special Reference To India. He explained GST as “A DISASTER & A NECESSITY”.

He said that GST was to be implemented in our country in the year 2000 but couldn't be possible because of political reasons. He shared a detailed study of how 10 countries other than India successfully adopted GST Practices and have benefited from the uniformity brought in taxation process.

The technical session was chaired by by Dr. B.G. Panmand, Head of Dept., Dr. Arvind B. Telang College, Nigdi. The session witnessed 7 research papers presentations by research scholars and SBPIM students. The tips and suggestions were given to participants by Dr. B.G. Panmand. The day indeed ended on a very successful note.

Dr. Bhushan Pardeshi coordinator of the conference summarized the entire first day program and thanked all the guests and participants present on the first day. The first day programme was hosted by Dr. Anuradha Phadnis and Dr. Swapnali Kulkarni.

DAY-2

Welcome Speech by Dr. Daniel Penkar

Dr. Daniel Penkar has begun his speech by explaining the role of Small and Medium Enterprises in today's dynamic business environment. He spoke about how Small and Medium Enterprises generate employment at a larger scale compared to big business units. He also focused on Small and Medium Enterprises role in exports and how they contribute to the country's export and employment. India's economy is suitable for Small and Medium Enterprises due to population, technology and the huge consumption of power. He concluded address explaining about SMEs in words by saying 'Small is beautiful'.

Key Note Address by Dr. E.B Khedkar

Dr. E. B. Khedkar, Dean of Management Faculty University of Pune, addressed to audience and focused upon the importance of 'Innovation' in the development of Small and Medium Enterprises and how one should adapt to the role of Lord Brahma the creator and contribute to the birth and development of Small and Medium Enterprises. He focused on how youngsters should grab opportunities, mould them into new productive ideas and follow the right path to success without corruption.

He concluded his speech by giving the formula of 'SMILE' (Sustainable Mission with Innovation, Love and Empathy)

SMILE= 4Ds + 8Ps

4Ds	8Ps
<ul style="list-style-type: none">• Dedication• Determination• Dynamism• Decisiveness	<ul style="list-style-type: none">• Passion• People Skill• Product• Positive Thinking• Patience• Pay Back to Society• Perseverance• Prayer

Address by Chief Guest Dr. Sanjay Bhayani

Dr. Sanjay Bhayani explained how Small and Medium Enterprises in India represent the model of socio-economic policies of Government. He said the main driving force behind setting up Small and Medium Enterprises is wish to be an “Independent” that is one’s own boss and he stressed to achieve business excellence in their field can result to the success in SMEs.

Address by Guest of Honor Mr. Avinash Belgamwar

Mr. Avinash Belgamwar shared his secret of success as an entrepreneur. He expressed that one should come out of their comfort zone in order to find out one’s own potential to accept new challenges which is essential to become an entrepreneur,

Business plan workshop by Ms. Padmini Panse, Ms. Ketki Joshi, (Bumble Bee)

Ms. Padmini Panse and Ms. Ketki Joshi motivated the students to become an entrepreneur with stories of some successful businessmen of India. They also explained the student how to prepare a business plan with some important Do’s and Don’ts

With the importance of idea and passion, they also highlighted other important elements essential to be an entrepreneur like Purpose, Problem, Solution, Time to start, Market size, Product, Business model, Team and Finance.
