Microsoft Office Automation Certification Program: 2018-19

Date: 12/06/19

Student development in higher education is the integration of academic learning programs with the larger issues of personal improvement and individual growth. It is a student centered, holistic experience focused on understanding (and demonstrating) values, nurturing skills, and moving towards knowledge.

In tune with this SBPIM conducted a special program for students of semester II students named **Microsoft Office Automation Certification Program : 2018-19**. The program was conducted from 15-27 May 2019 by Dr. Amarish Padma, assessment test was conducted time to time during the duration of program, the students who scored more than 60% in test were awarded with Certificates in the Valedictory function by the hands of Dr. Daniel Penkar .

All the sessions were attended by nearly 176 students very enthusiastically and Certificates were awarded to 174 students .
