Students' Details: MBA - II Year, Sem-III

Report: SBPIM has organized a guest session on “Shipping & Logistics System” for MBA - II Year, Sem-III students. Guest of the session was Ms. Nishi Shaligram who is Independent Business Owner at NStar Logistics at Pune/Pimpri-Chinchwad Area. Moreover she is proud alumni of SBPIM . Madam has more than 8 years of experience into Logistics and handled more than 1 lakh ton material per year, Air import custom clearance in day of span. She has hard core believer on focus & skilled workers give fast and efficient services all the time.

She guided student on logistics works in two directions – forward and reverse. When we talk about logistics, we usually mean forward direction, which includes such operations as receiving and processing an order, checking and preparing inventory, packing and picking an item, dispatching it and selecting a transportation route that will deliver the product to a customer as quickly and efficiently as possible

Ms. Nishi also elaborate in a digital world, to manage these processes in both ways, businesses use logistics management systems – a combination of software tools that optimize all processes from making an order and delivering it to a customer’s door.

She has shared real life examples, custom clearance process, international shipping future and job opportunity in this domain that gave clarity to the students about shipping and logistics industry.

Session was very interactive student have cleared doubts participating in asking questions and situation based scenario.
