Report:

S. B. Patil Institute of Management organized a session on “SAFTEY OF WOMEN WITH RISING CYBER CRIMES” considering the importance of the topic via micro soft team’s platform. The session was delivered by Mr. MAHESH RAKHEJA, Cyber Security Consultant and Technical Public Speaker. All the ladies staff members and the Girl students of MBA -I & II year were present online for the session.

The session started with a welcome speech given by Miss. AANCHAL SINGH from MBA I year. She welcomed Mr. MAHESH RAKHEJA SIR and all the ladies who joined via MS. TEAMS platform. She explained why the session on “CYBER SECURITY” is important for girls.

Mr. Rakesh Raheja, explained that how the cyber crime is increasing and why it is important for ladies to be more careful while handling their social media accounts. He emphasized on BIG DATA and explained how data gets manipulated and also how to use social networking website. He explained with various examples that the mobile is not secure to share the confidential information. He said that “WE ARE HACKED ALREADY” and that our passwords are already known to the hackers. People should avoid using phones which could be easily hacked. He also

advised not to click on private pictures and not to keep the private information in one's phone. He informed that the mobile camera continues to click pictures, snapshots, and hence should be aware and should learn how and where to use the phone. He gave an example of a Nagpur girl, a victim of cybercrime case whose phone was hacked and how she faced problem. He said that anything in our mobile is exposed to hacker and it can create problem in real life. So be aware whatever is happening in surrounding specially on internet.

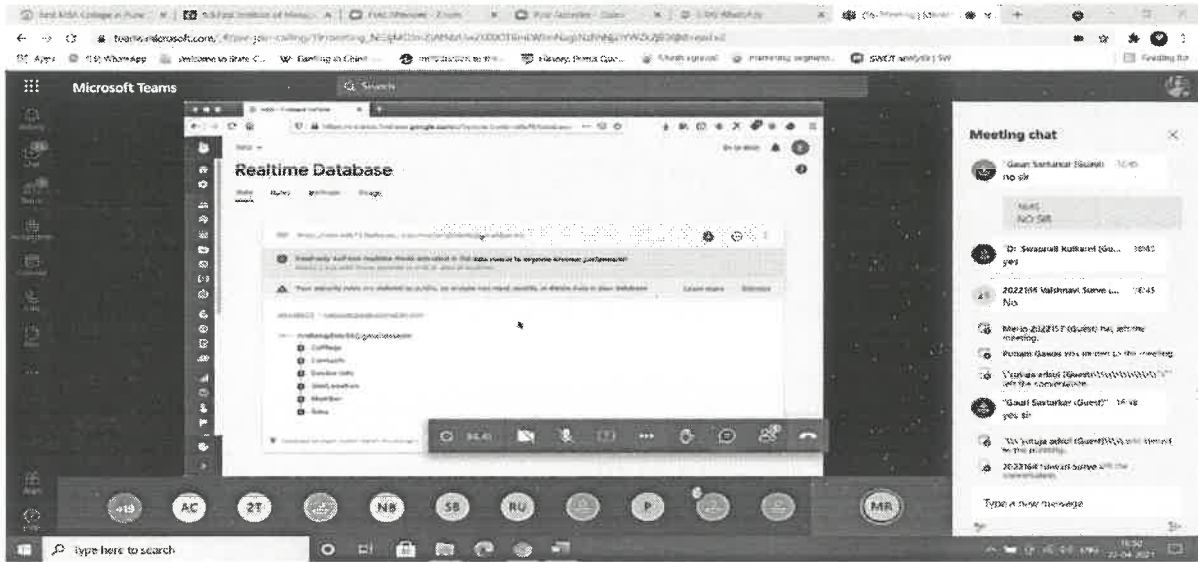

Most of the participants found the session very informative and useful. The session ended with Miss. VAISANAVI SURVE thanking Mr. MAHESH RAKHEJA SIR and all the participants.
