Activity: Eco Friendly Diwali (The idea is to spread awareness about the ill-effects of bursting crackers and its effect on the environment)

S. B. Patil Institute of Management this year also celebrated Eco-Friendly Diwali. The student of council members organized an event to celebrate eco-friendly Diwali. A poster making competition was organized on the theme "Eco Friendly Diwali" with an attempt to spread awareness about ill-effects of bursting crackers and its effect on the environment. Students and faculty members enthusiastically participated in the noble cause and made several motivating posters. They expressed its high time that we should start taking initiatives for protecting the environment. Thereafter many students expressed their views through slogan and poems and took pledge for eco-friendly and Green Diwali.

POSTER DESIGNED BY STUDENTS

A rally was also taken out by the students in the nearby area of college campus where they urged people not to create noise and air pollution and celebrate Eco friendly Diwali. Students chanted slogans such as, “This Diwali Go Green”, “Say No To Crackers” , “ Clean World Green World”, “ Avoid Crackers”, “ Stop Child Labour In Cracker Factory”, “ Stop Pollution” , “This Diwali burst your ego not Crackers” etc. Students participated with great zest and had shown great enthusiasm during the entire event

We at SBPIM put efforts towards the improvement and development of society in some way or the other and impart moral values among students. With this objective, students of SBPIM decided to celebrate Diwali in an eco-friendly manner and sensitize the society about environmental pollution and health hazards. Dr. Daniel Penkar, Director SBPIM acknowledged students efforts for this noble cause of sensitizing society to prevent pollution by not bursting cracker this Diwali
