The students came up with questions which were answered by the experts. Dr. Bhushan Pardeshi emphasized the importance of research by saying that business research can relate to-economics,

The poster features the institute's logo at the top, followed by the event title 'Mentorship Programme' and the tagline 'Planting seeds for success'. The main title 'Sunday with Mentors' is written in a large, elegant font. Below it, the topic 'Role of Research in Student Development' is listed. The poster also identifies the 'Guest Mentor' as Dr. Bhushan Pardeshi, Dr. Padmalochana Bisoyi, and Dr. Lakshmi Jasti. At the bottom, the date 'May 2, 2021' and time '3pm-4pm' are clearly displayed. business strategy and ethics, in fact, anything associated with modern business and trade. He also said that it is important since it aids a business plan for the future, based on what may have occurred in earlier times. If performed effectively it can help an organization to make plans on how to become more viable in its field.

Dr. Bisoyi said that knowledge is power, as the saying goes. Conducting thorough research in business is an excellent strategy to learn more about your market, customers and competition. With that information in hand, you can make innovative and well-thought-out decisions to help grow your business. Research helps companies to plan new products, develop advertising campaigns and compete with direct competitors. Without research, companies would be left in silos, trying to navigate the market in the dark. When you're in a management function, you're in a key decision-making position in the company.

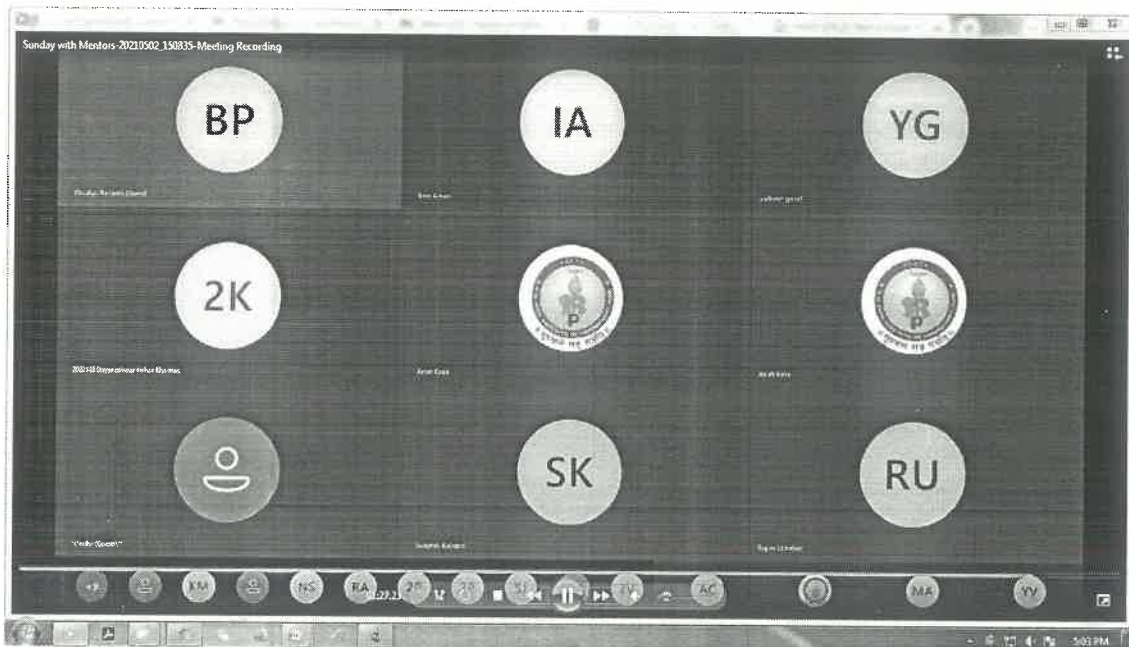

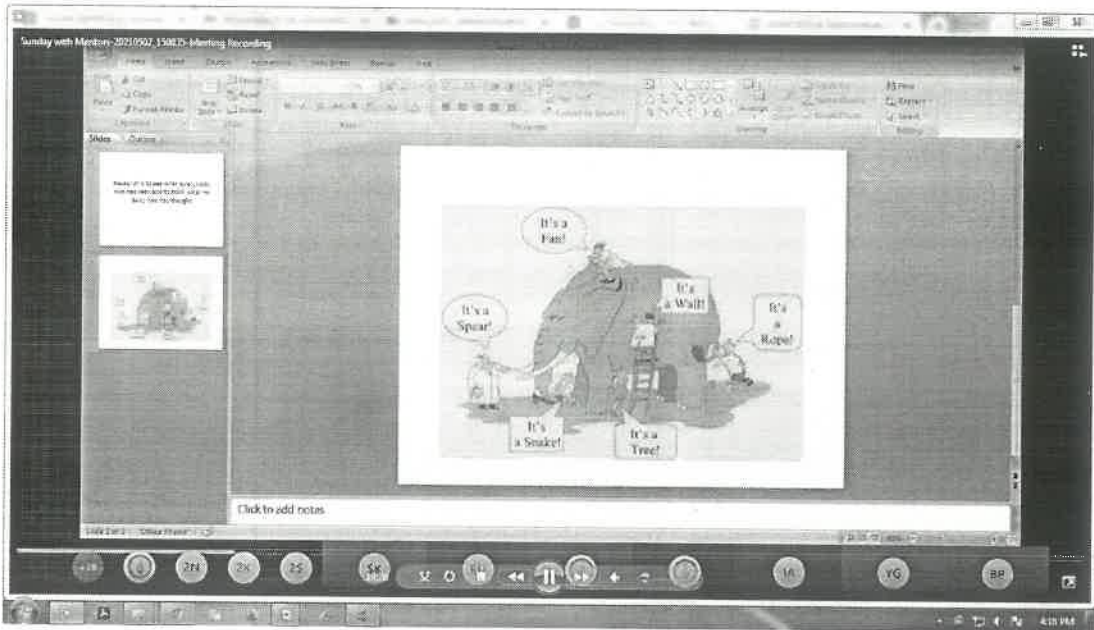

Dr. Laxmi Jasti stressed on conducting research to better understand the industry your company operates in is integral to success. Knowing who your competition is, who your customers are and what products or services to offer will help you to develop a solid plan. In addition, business research helps organizations avoid future failures. Organizations can determine whether they should expand operations or scale back based on how the industry is doing as a whole. They can even decide if they should apply for a new loan or pay back debts sooner based on current interest rates.

The experts also urged the students to participate in the research activities and publish research papers. This will help them to clarify the doubts in the field of management and research. The session was ended by offering vote of thanks by Dr. Swapnali Kulkarni and Dr. Iram Ansari, coordinators of the event.
