On 26th February 2022 SBPIM had organized an HR Conclave where more than 100 HR participated and they got an opportunity to visit and buy ecofriendly hand made products made by the people at Seva Sahyog. The Exhibition cum Sale provided an extensive collection of ecofriendly products from underprivileged people of Indian Society. The employees working at Seva Sahyog are women from most from the underprivileged area of the society. This initiative was to help over 500 women to unleash their inner abilities towards financial independence. Our 10 students volunteered for the event helping for promotion, marketing and even selling the products. Also around 18 faculty members and all the non-teaching staff were directly involved and actively participated in the exhibition.

It is our ISR practice under Jagruti initiative that we sensitize our stakeholders towards the wellbeing of the society and underprivileged people. This kind of Exhibition cum Sale was helpful for participants as well, as they explored diverse art and craft.

We got an overwhelming response from the participants who purchased many ecofriendly products from the exhibition cum sale, making our efforts fruitful as being a medium to help Seva Sahyog with the sale of the products. Many participants took the contact numbers for future association with Seva Sahyog for the supply of folders and other kits for their various official events like national conference etc.
