Topic: The Fight against PCOD to enjoy
Womanhood

Date: Wednesday, 4th August 2021
Time – 1.45pm to 2.45 pm

Faculty coordinators: Dr. Swapnali Kulkarni

Students Coordinators: Ms. Gauri Sasturkar

No of students participated: 52

No of Faculty participated: 11

Report:

S.B. Patil Institute of Management organized a session on “The Fight against PCOD to enjoy Womanhood” Considering the importance of the topic via MS Team Platform. The session was delivered by Dr. Sonal Bondre, obstetrician and gynaecologist. All the ladies staff members and the girl students of MBA – I & II year were present online for the session.

The session started with a welcome speech given by Miss Teena kachole, MBA I year. She Welcomed Dr. Sonal Bondre.

Dr. Sonal Bondre started her session by explaining about PCOD. She said that Polycystic ovary syndrome (PCOS) affects 8% to 13% of reproductive aged women and is associated with reproductive and metabolic dysfunction. Obesity worsens the presentation of PCOS and weight management (weight loss, maintenance or prevention of excess weight gain) is proposed as an initial treatment strategy, best achieved through lifestyle changes incorporating diet, exercise and behavioral interventions. She also said that diagnosing and treating PCOD is important to preserve or restore fertility, reduce symptoms, and prevent complications that can develop in women with PCOS from adolescence to the postmenopausal period. She explained that PCOD can be treated by life style changes. Regular exercise, nutritious food intake and high level of activity would help treat PCOD.

The session was very informative and useful. Many questions on behalf of girl students were asked by Miss. Amruta chavan where in the participants got satisfactory answers from Dr. Sonal

Bondre. The session ended with Miss. Amruta Chavan thanking Dr. Sonal Bondre and all the participants.
