

**Memorandum of Understanding
between
CTIF Global Capsule (CGC), Denmark
&
PCET'S Pimpri Chinchwad College of Engineering (PCCoE),
India**

About CTIF Global Capsule

CTIF Global Capsule (CGC) is a Cross-/Inter-disciplinary non-profit independent, international association. CGC was founded 2004 in Denmark. The vision of CGC stresses on its leadership and potential in fulfilling communication needs of the society and ushering it into the cross-/inter-disciplinary multi-business modeling era. The mission of the Association is to develop research activities, at the national and international level, with a specialist and interdisciplinary approach, concerning Information and Communications Technology (ICT) and their related multidisciplinary application. CGC has divisions all over globe.

PCET's, Pimpri Chinchwad College of Engineering (PCCoE)

Pimpri Chinchwad Education Trust (PCET) was established in the year 1990 with a vision to provide value added quality educational platforms to society in multiple dimensions. PCET has nine institutes: Pimpri Chinchwad Polytechnic (PCP), Pimpri Chinchwad College of Engineering (PCCoE), S.B. Patil Institute of Management (SBPIM), S. B. Patil Public School (SBPPS), Pimpri Chinchwad College of Engineering and Research (PCCoER), S. B. Patil College of Science and Commerce (SBPCSC) and S. B. Patil College of Architecture and Design (SBPCAD), Nutan Maharashtra Institute of Engineering & Technology (NMIET) and Nutan College of Engineering & Research (NCER).

Pimpri Chinchwad College of Engineering (PCCoE) is one of the best engineering colleges in Pune, accredited by NAAC and NBA with good NIRF rankings from the last 4 years. It is affiliated to Savitribai Phule Pune University (SPPU), which is one of the reputed universities in India.

PCCoE offers five Undergraduate (UG) Programs in Engineering viz., Mechanical Engineering, Electronics and Telecommunication Engineering, Computer Engineering, Information Technology and Civil Engineering. Along with UG PCCoE also have Post Graduate (PG) programs in Computer, Mechanical, E&TC, and Civil, Master of Computer Applications (MCA) and Ph.D. research center in Computer Engineering, Mechanical Engineering and Electronics and Telecommunication Engineering. Around 200 faculties and 4000 students are associated with all these courses in the campus.

Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered into and is effective as of September 2020 by and between CGC, which is an independent non-profitable association stressing on its global leadership and potential in fulfilling communication needs of the society and ushering it into the cross-/ inter-disciplinary multi-business modeling era, and PCET's Pimpri Chinchwad College of Engineering (PCCoE). CGC and PCET's Pimpri Chinchwad College of Engineering (PCCoE) shall be known collectively as the “Parties” and singularly as “a Party” or “the Party”.

Recitals

Whereas, cordial relations exist between CGC, and PCET's Pimpri Chinchwad College of Engineering (PCCoE); and,

Whereas, PCET's Pimpri Chinchwad College of Engineering (PCCoE), and CGC have discussed mutual goals regarding academic opportunities for students and faculty; and,

Whereas, CGC and PCET's Pimpri Chinchwad College of Engineering (PCCoE) desire to establish a program to be established and formalized at a later date (the “Program”) for the benefit of students of their respective educational institutions;

Now, therefore, the Parties enter into this Memorandum of Understanding, in order to memorialize fundamental concepts regarding Program.

Understanding of the Parties

In contemplation of establishment of the Program, the Parties agree as follows:

Article 1 (Objectives)

- A. To contribute further to the regional understanding between both countries through mutual cooperation programs.

- B. To further collaboration between CGC, and PCET's Pimpri Chinchwad College of Engineering (PCCoE) through academic programs in instruction, research and faculty development among the faculty and students of both institutions.

Article 2 (Responsibilities of Parties)

- A. All parties commit themselves to identify concrete areas of academic collaboration and to explore the means to achieve a successful collaboration.
- B. The concerned officials who will have the responsibility in coordinating the Program for the parties are:

For CGC,

Prof. Peter Lindgren

Vice President, CGC AU,

Aarhus University, 7400
Herning, Denmark

Pimpri Chinchwad College of Engg.
Sect. No.26, Pradhikaran, Nigdi, Pune-44

Article 3 (Understanding of Parties)

- A. Parties understand and acknowledge that they are making a significant commitment to this collaborative effort. Accordingly, Parties agree to expend their best efforts on the design, implementation, and successful continuation of Program.
- B. This MoU shall remain effective from the date of execution until the end of the term of five (5) years.
- C. The parties understand and acknowledge that this memorandum of understanding will provide the foundation for a more comprehensive agreement concerning the details of the program; and that this Memorandum of Understanding does not commit the parties regarding the program.
- D. Parties understand that this program must support through its activities the mission of the CGC, and of PCET's Pimpri Chinchwad College of Engineering (PCCoE); that the international program may not use the name and official seal of the CGC, Herning, or any of its components without the written consent of the CGC Administration; that the international program is subject to all policies and procedures of the system administration, and must submit to reporting and auditing requirements as established by the system administration, including consultation with an attorney and an authorized signatory.

Similarly, the international program may not use the name and official seal of PCET's Pimpri Chinchwad College of Engineering (PCCoE) or any of its components without the written consent of the PCET's Pimpri Chinchwad College of Engineering (PCCoE) Administration; that the international program is subject to all policies and procedures of the Board of Governors and its administration, and must submit to reporting and auditing requirements as established by its administration, including consultation with an attorney.

- E. The Memorandum contains the entire understanding of Parties at this time. If either Party is unwilling or unable to continue with plans for Program, that Party may do so by sending a written notice of regret to the other Party.

In witness whereof, the Parties have caused their fully authorized representatives to execute this Memorandum of Understanding.

All the communication will be through Single Point of Contact (SPOC), on behalf of Pimpri Chinchwad Education Trust, Dr Roshani Raut (Contact No: +91 9960866438), email: roshani.raut@pccoepune.org)
