MEMORANDUM OF UNDERSTANDING

Between

Pimpri Chinchwad Education Trust, Pune, India

And

Can Tho University, Viet Nam

This Collaboration Agreement is effective as of December 21st, 2020 between Pimpri Chinchwad Education Trust ("PCET") and Can Tho University ("CTU"). Both parties are interested in establishing a relationship that will promote educational opportunities for their students and faculty.

Pimpri Chinchwad Education Trust ("PCET") is a leading education provider in INDIA with a focus on higher education. PCET is functioning proactively to provide the best professional environment to engineering, management, architecture, and Science students in terms of academics, research, industry-oriented trainings, various competitions etc. to create true aesthetically sensitive, socially committed and technologically competent engineers and management professionals. PCET's Pimpri Chinchwad College of Engineering (PCCOE) is one of the best engineering colleges in Pune.

Can Tho University (CTU), is an important state higher education institution in the Mekong Delta (MD), Vietnam. It is the cultural, scientific, and technical center of the MD and Viet Nam. CTU has actively taken part in scientific research projects, applying for the advances in scientific and technological knowledge to solving problems related to science, technology, economics, culture, and society in the region.

1. With this collaboration agreement, **PCET** and **Can Tho** agree to the following:
 - a. Exchange of information for research and involvement in joint projects, research publications, under the participation of scientists / researchers from both sides.
 - b. To encourage qualified faculty to cooperate in PhD or Post-doctoral research project and thesis advising.
 - c. Provide training and visits by members & staff.
 - d. Holding joint workshops, symposium, seminars, conferences and publications in areas of mutual academic, research and innovation interests.

- e. Exchange of students for education and research works on subjects of mutual interest;
 - f. Exchange of students for summer/ winter internships on subjects of mutual interest;
 - g. Agreement of curricula and teaching programs with the purpose of working out combined educational "dual degree" program and two-stage masters programs.
2. The Agreement will come into effect on the date of signing.
 3. Amendments and additions may be made to the agreement subject to the consent of the parties.
 4. Both parties agree that all expenses, including research material, international and domestic travel, per diem, honoraria, and all other costs, for visiting faculty and researchers, shall be the responsibility of the home university or determined on a case-by-case basis and agreed to in writing by the parties prior to the visit.
 5. Both parties acknowledge that visits by faculty and students from one to the other shall be subject to the entry and visa regulations of the India and Viet Nam shall comply with the regulations and policies of PCET and CTU
 6. Both parties agree to review this Memorandum of Understanding after **five years** following the date of signing, and acknowledge that this Memorandum is subject to revision and termination at any time by mutual consent or by six months' written notice by either party.
 7. The management of the organizations will amicably resolve any dispute arising during the execution of the MOU jointly.
 8. Any amendment to this agreement shall be in writing and signed by both the parties.
 9. Both parties acknowledge that they must complete additional negotiations on the points set forth in this MOU, as well as points beyond the scope of this MOU, that may cause the terms in this MOU to be further negotiated and changed.
 10. Both parties agree that this Memorandum of Understanding is incorporated into, and will provide the foundation and framework for, projects developed by academic and

administrative units from the two universities and documented in other subsequent Agreements.

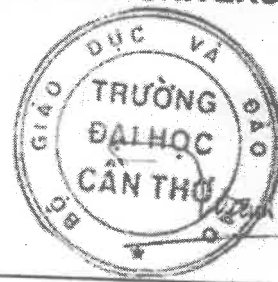

11. Both parties agree that they will follow all applicable laws and regulations in both countries as they exist today as well as in the future, including but not limited to any privacy legislation and data protection legislation.
12. All communications from both the parties will be through Single Point of Contact (SPOC), on behalf of PCET, Dr. N.B. Chopade and on behalf of CTU, Dr. Nguyen Chi Ngon. In case of any change in the details of SPOC of any university, they will inform to other university.
