ANNUAL SERVICE CONTRACT FOR GREAVES ENGINES AND GENSET

We are enclosing herewith our offer for the Annual Service Contract along with terms and conditions for carrying out periodical maintenance of the engine as well as important necessary guidance for routine maintenance for a period of 12 months. The date of commencement of the service visits will be intimated by you. In case if you require any change in the date you may inform us accordingly. This contract will cover 12 visits by our service representative suitable staggered over a period of 1 year approximately, a visit monthly. This is purely service contract and covers no spare parts. All the consumables like oil, filters etc and all the required spares for carrying out maintenance or rectification of minor / major problems should be provided by you.

Scope of work for every Annual Service Contract visit –

A) Engine -

- 1) Drain the lub oil from sump, lub oil cooler etc. and and refill fresh oil as per recommendation in the operation instruction manual.
- 2) Renew filter elements as required.
- 3) Check and tighten external nut bolts as required.
- 4) Check condition of hoses and tighten hose clamps as required.
- 5) Check and adjust belt tension or replace belts as required.
- 6) Check condition of battery and terminals.
- 7) Check and adjust tappet clearance as required.
- 8) Carrying out Air Cleaner maintenance as required.
- 9) Check and record engine parameters.
- 10) Check and correct external leakages.
- 11) Checking and tightening connections of engine terminal box, relays and timers in Control Panel.

M.K.SERVICES

AUTHORISED SPARES AND SERVICE DEALER FOR M/S.GREAVES COTTON LTD.

Sr. No. 78/1, Shed No.1, Ground Floor, Dangat Industrial Estate,
NDA Road, Shivane, Pune - 411023.

12) Check Engine Protection Unit for proper functioning.

B) Alternator -

- 1) This contract does not cover any major problems to the alternator.
- 2) But routine checking of connections of alternator, AVR will be done.

C) Control Panel –

- 1) Control Panel (Standard/AMF /Synchronizing) is not covered under scope of this contract.
- 2) Minor problems like checking & replacement of small components like relays, timers will be done.
- 3) If any major work is required in control panel will be charged extra.

Our service representative will prepare a service report after every visit. If he finds any defect during visit the same will be informed to you. If the defect can't be rectified in short period, the engine shall be made available to him on date intimated by you. If in case you decide to operate engine against our advice during above period and damages arising out of the defect notified will be at your responsibility. Engine Top / Major overhauling can't be considered under this contract, however repairs to the engine involving 2-3 days can be considered provided additional number of days are accepted as service visit as per contract.

Although our service representative will be visiting the site for carrying out routine maintenance as per contract, the basic responsibility for maintenance and upkeep of the engine as well as operation as per relevant manual etc. will be your responsibility. The log book pertaining day to day working should be maintained as per recommendation.

We hope you will find the above in line and assuring you of best services at all Times.
