

PIMPRI CHINCHWAD EDUCATION TRUST'S
S. B. PATIL INSTITUTE OF MANAGEMENT, PUNE
LANGUAGE LABORATORY

Good communication skills are indispensable for the success of any professional. With the same line S.B. Patil Institute of Management has started with state-of-the-art audio-visual equipment to aid in imparting language skills. The Laboratory is effectively utilized by students and faculty members for various self-enhancement and soft skill development activities. This Laboratory proves beneficial for those students who are weak in use of English language. As we have different background students some are from rural area, non-English medium these students are generally weak in English so to make them proficient in English Language College is providing audio-visual training in the language lab. It aims to build confidence among students for interactions and presentations in English. The basic purpose of the lab is to provide students a platform to enhance English language skills, communication skills and to practice soft skills.

This Student module contains:

- Student listens to the lessons pre-recorded by experts.
- Each lesson, such as accent, rhythm, intonation, consonants, vowels etc. is dealt with separately and extensively.
- Each lesson is followed by an exercise.
- After listening to the pre-recorded voice, the student can record his own voice and compare the correctness of his/her pronunciation. Self-assessment at the end of each assignment is submitted to the teacher (server) for evaluation.
- Student can communicate with the teacher

Objective of Language Lab

1. To familiarised with the many pronunciation styles.
2. To provide strong platform for practical training in the language
3. To emphasize the need of English in the technical world.
4. To prepare them for interviews and future job environments.
5. To train the students in the art of conversation and discussion.
