**Report:**

Guest Lecture by Mr. Sagar Patil on the topic Warehousing, Handling and Picking System for MBA-II year students on December 31, 2020. Mr Sagar Patil has more than 5 years of B2B marketing and sales experience. He has worked with FedEx managed Global Enterprise Accounts. Mr. Sagar Patil is recipient STAR AWARD at REAN Cloud, also Nominated for Bravo ZULU Award at FedEx also nominated for the Global Customer Experience Award-FedEx.

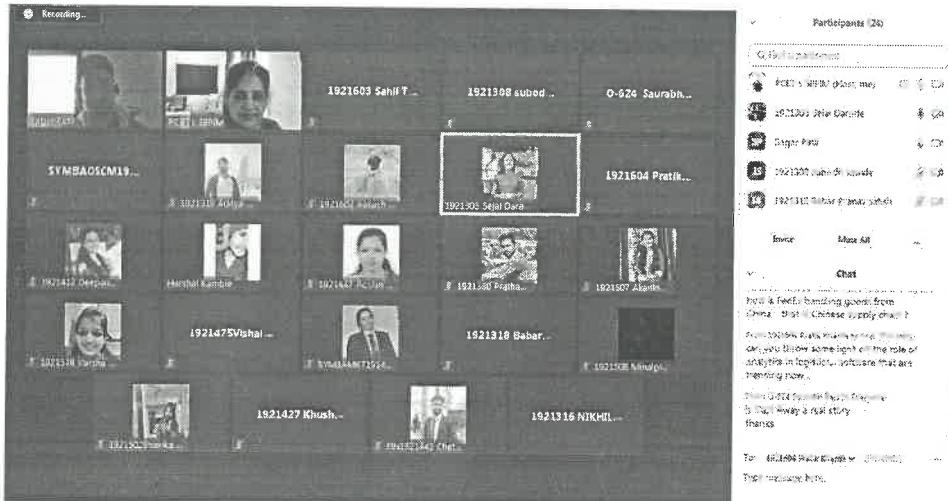

Mr. Sagar explained the concepts of warehouse and explained to students' warehouse is key to company's profitability, flexibility and reputation and company can improve customer satisfaction. To support this he gave example of Fedex is managing through warehouse staffing, Warehouse management system (WMS), Tracking and visibility, Warehouse automation and emerging technologies.

He explained the detail cycle of FedEx from shipping package of Consignee to consignment delivery which includes Packaging, kitting and value-added services. FedEx Supply Chain maximizes the value of your product by: Packaging products, Providing customization and postponement, performing kitting and assembly, Building and distributing point-of-sale (POS) displays and Configuring and packaging electronics.

He concluded by making remark warehouse is vital part of business as they not only influence the efficiency of a business but also can be a cost-cutting center.

He attempted to answer the questions put up by students. Speaker gave a gist of warehouse and its related concepts, job opportunities in future and key skills to be possessed to get an employment opportunity in the sector. Ms. Sejal Darde MBA-II year student introduced and proposed the vote of thanks. The lecture was very resourceful and students gave an excellent feedback.
