A session on "Career Opportunities in Financial Sector " was conducted under the guidance of Mr Swapnil Sonkamble to make students aware of Functioning of financial sector & career opportunities in the same sector.

The session was hosted by Miss. Payal Agrawal from 2nd Year MBA who introduced the topic of the session & gave brief introduction of the guest speaker Mr. Nikhil Pathak.

Mr. Nikhil Pathak explained the valuable insights regarding the various aspects of the financial sector. He elaborated the Finance is one of the areas of specialization and career preferred by many students. It is important for them to know the career opportunities available in finance area especially in the current changing business environment at domestic and global level.

Firstly, he cleared that Finance career can be made by any person by acquiring specialized knowledge relating to finance and practising that knowledge .one can have better work-life balance and social respect.

He mentioned the broad areas for making career in financial sector domain such as

- Cooperate Finance

- Insurance Market
- Financial services
- Financial markets

He suggested students regarding preparation for successful careers that students should look for internships in the field. Doing an internship in finance is the best way to get a real sense what the finance world is all about .Also he mentioned that students should make themselves familiarise with financial terms.

Mr. Nikhil highlighted the valuable & important skills required in financial sector such as

1. Analytical skills
2. Accounting skills
3. Business intellect
4. Financial modelling
5. Financial reporting etc.

He motivated students who were little doubtful about this sector. The session towards the end had a Q & A session which was filled with a lot of questions by the attendees and in-depth answers by Nikhil Sir. The session concluded with the vote of thanks by our host Miss. Payal Agrawal.
