Dear Manaswi Anup Deshmukh:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science in Business Analytics program in the Isenberg School of Management. Congratulations!

You have been accepted for the Summer 2023 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application.

This admission is contingent on the completion of your baccalaureate degree. An official copy of your final undergraduate transcript indicating receipt of your degree should be sent to this office as soon as your undergraduate work is complete. If your transcript does not clearly indicate the awarding of your degree, with the degree title and date awarded, we need the diploma and/or degree certificate in addition to the official final transcripts. You must submit these materials before the University of Massachusetts Amherst will allow you to formally begin your graduate studies.

We encourage you to log in to SPIRE to accept this offer of admission or withdraw your application. After entering SPIRE, click the 'Admissions & Status' tile on your Applicant Center home page.* There is a confirmation status section that will allow you to inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

* If you do not see this tile, click Student Center at the top of the page and select Applicant Center (Grad).

Questions concerning assistantships and other program related matters should be addressed to the Isenberg School of Management; other questions may be referred to the Graduate Student Service Center. For further information about the University of Massachusetts Amherst please visit our website at www.umass.edu/graduate.

With best wishes,

Jacqueline Urla
Dean of the Graduate School
