Dear Mr Kulkarni

I am pleased to be able to confirm that the conditions of your offer have been met and that your offer of a place as shown above is now unconditional.

The start date of your programme is shown above.

A CAS (Confirmation of Acceptance for Study) to help with your visa application will be sent to you in due course. Please note that it is not possible to issue you with a CAS more than six months before the start date of your programme. Study in the UK is subject to time limits and regulations on academic progression set by UK Visas and Immigration (UKVI). If you have not already provided us with details of any study that you have undertaken in the UK (including study you have completed, are currently undertaking or have failed to complete) in the Qualifications section of your application then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

The annual tuition fee for the academic year 2023/24 is shown above. Tuition fees are liable to increase in subsequent years.

Your acceptance is only confirmed for the programme stated above. Transferring to another programme can only be accommodated in certain circumstances which are at the discretion of the relevant academic department. For some programmes this will not be possible due to limited places.

Please note that you need to have sufficient funds available for your living costs and tuition fees for the duration of your programme. You will only become responsible for the payment of your tuition fees when you formally register for your programme. Information regarding the registration process will be sent to you before your programme commences.

Yours sincerely
