“Sports” are the great source of inspiration, it nurtures various Nobel values like sportsman's spirit, honesty, punctuality, regularity, team spirit, leadership, obedience integrity and with relation to management it teaches us team building, motivation, leadership coordination amongst individuals.

The sports week at SBPIM was entirely designed, managed & executed by students under the supervision of faculty sports coordinators. It served the purpose of management learning through sports activities. Qualities like leadership, team player etc. were showcased by students. Sports week included sports like “**Outdoor games like Cricket, Football, Basketball, Kabaddi, Kho-Kho, and Indoor Games like Chess, Carrom, Table Tennis Treasure Hunt and Badminton**” This time we have organized sports for faculty too in which they participated and proved to be sportsmen.
