Subject: Sanction for certification fees for faculty training

Respected Sir,

We would like bring to your kind notice that currently SBPIM faculty members are conducting many training programs for industries in Human Resource & Communication related assignments. We have signed 5+ MOU's for 3 years with various companies for the same.

They are currently doing the training on the basis of requirement of clients and it is a pleasure to mention that we have bagged a consultancy assignment of advanced level training for an MNC, **AQ Mechanical and Electrical Manufacturing India Pvt. Ltd, Chakan (Sweden based company)**. To undertake more advanced trainings, our faculties also need training and hence they want to undergo a virtual international training programme. We would like to propose a sanction for attending a training from **Cultural Dynamics DCI training Malaysia** for which the fees is US \$ 230 per head for 3 participants.

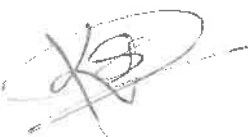

We would like to request you to approve **50% fees to be paid by the institute (Rs. 8500/-) for each faculty member**, the remaining 50% will be borne by the respective faculty member to undertake this training. We would like to request you to approve and allow us to register for the same.

50% 8500/- = 25500/-

We are enclosing the details for your reference.

COURSE OVERVIEW

- Ever wondered why after you had communicated so clearly, and yet others still don't "get" you?
- Have you been in a position where you delivered as per instructed, but have your work thrown back at you?
- Are you avidly looking for books and role-models to learn from, but somehow their methods just seemed unnatural to you?

Believe it or not: Your communication and thinking styles are imprinted in your genes, and this program can help you to unlock the charismatic communicator inside you, so you can connect, convince and communicate better with anyone, anywhere, anytime.

All of us process our world around us differently. Our communication style is based on how we think and our thinking style is based on our brain genetic processor. The Colored Brain Communication is developed by Arthur F. Carmazzi and it is discovered that our genetic brain processor can determine our character and communication style.

This workshop strives to cover the foundation and concept of communication through discovering of self. You will do the Colored Brain Communication Inventory to uncover your Colored Brain. It will be a revelation to understand yourself at a deeper level and unleash the greater potential in you.

This workshop is inter-active filled with experiential games to explore your communication style. It will enhance your inter-personal skill in dealing, engaging and managing people. At the end of the session, you will develop your personal communication strategy on how to capitalize on your strengths and leverage on the strength of other people to overcome your weaknesses.
