Brief Information of the Event: -

A training program was conducted for Rishi Polymers Pvt.Ltd by instructors Dr. Pranita Burbure and Dr. Iram Ansari on the subject of "Health and Motivation" on July 30 2022. Training program started with welcoming the guests by Ms. Rupali Bhosale. Session started with Introduction activity. Everyone introduced themselves with the fun activity throwing ball. Then the formal session started where 1st session was delivered by Dr. Iram Ansari on the topic "Motivation". While talking about motivation she mentioned how can we stay motivated all the time with the help of various examples. She played some videos on the topic. 2nd session was held by Dr. Pranita Burbure on the topic "success ". She explained everyone about what is success?. How should we achieve our goals? How important to stay motivated to achieve your goals? The session was so much interactive.

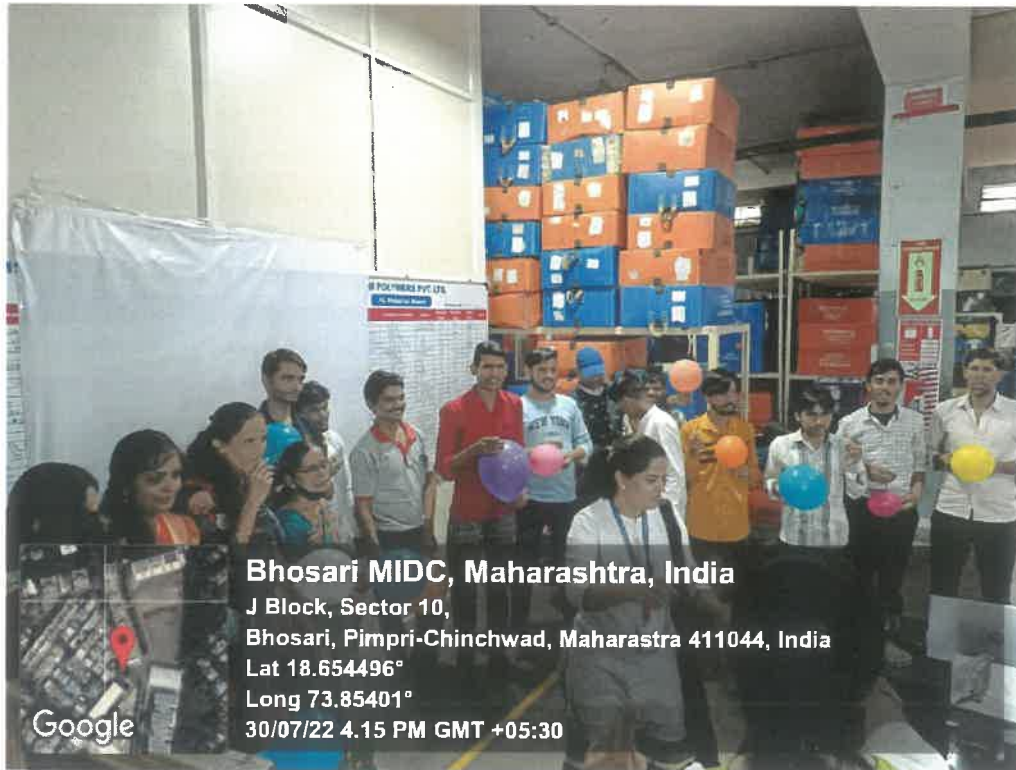

After 15min tea break the session started with fun activities like hand and footprint game where winners were awarded with chocolates. Last session was delivered by Dr.Iram Ansari on the topic "Health". She delivered message "health is wealth" to the participants. She specially talked to avoid alcohol, avoid smoking and avoid tobacco, She also mentioned how harmful it is to the body.

Session ended with the balloon activity, where everyone gave the review about company and suggestions to the company. At the end everyone submitted written feedback to the

training. One of the worker from the company Mr.Vikas, expressed his experience about the training and learning's.

The session concluded with the vote of thanks by HR of Rishi Polymer Pvt Ltd Ms.Rupali Bhosale.
