Brief Information of the Event: -

In the competitive business and career environment, choosing the right career path is one of the most important decisions in student's life. It is important to pick the right one since it determines the course of your professional career.

S. B. Patil Institute of Management (SBPIM) has always strived for betterment of students through providing them appropriate support and opportunities from time to time. In light with this institute organized an **AI Powered Professional Career Assessment for MBA I SEM I students in association with VIOSA.**

The objective of the assessment is to provide a path for students for choosing right career path through AI based Professional Career Assessment. **Career assessment explores the 5-Dimensions of the candidate.** It includes Personality analysis, Career Interest analysis, Career motivators analysis, learning style analysis and Skills & Abilities analysis.

The session and assessment was conducted **on April 11, 2023** between 03.00 pm to 05.00 pm.

Dr. Kirti Dharwadkar, Dr. Anishkumar Karia from S. B. Patil Institute of Management and Mr. Abhay Joshi, Mr. M Saquib, Dr. Maushmi P. were present from VIOSA.

Dr. Aishwarya Gopalakrishnan welcomed assessment team and Dr. Kirti Dharwadkar Director SBPIM felicitated team members from VIOSA. Dr. Kirti Dharwadkar in her dialogue with students she briefed about why it is important to choose right career path at early age and its impact on their career goals, aspirations and overall achievement. Dr. Anishkumar Karia emphasized on how AI is changing the course of action in decision making in education industry. He informed students to take an effort to make most out of activities conducted by institute.

Mr. M Saquib and Dr. Maushmi P. from VIOSA has explained students about the technicalities of AI Powered Professional Career Assessment and way in which it provides a very high level of accuracy in identifying the 5-Dimensions of your professional personality. This will help them in understanding the right choice for your career progression which is aligned with your personality, skills and abilities, career interests and motivators. They have also explained to read and analyze 20+ page report for effective decision making for their bright career future.

For AI Powered Professional Career Assessment 177 students appeared in SBPIM computer Lab and successfully completed the test. Further students were made available with personalized report covering multiple dimensions of their personality and career options suitable for them.

Dr. Anishkumar Karia proposed a vote of thanks to team VIOSA for successful conduction of AI Powered Professional Career Assessment.

Felicitation of Mr. Abhay Joshi by Dr. Kirti Dharwadkar and Mr. Anishkumar Karia, Mr. M Saquib, Dr. Maushmi P.
