## Policy Document on Environmental Consciousness and Energy Usage

PCET's S.B.Patil Institute of Management, Pune-44, is committed to reducing its negative environmental effects through energy usage. This policy is applicable to all members and activities within the organization. In the institute, efficiency and environmental concerns are part of the everyday routine. We are accountable and committed to preserving resources.

### Objective of Policy

- To Investigating substitutes for the depletion of natural resources,
- To emphasize renewable energy sources, employing LED lighting systems to cut down on energy consumption,
- To implement further steps to consistently enhance energy usage,
- To use public transportation or pollution-free modes of transportation like bicycles will help reduce air pollution in and around the campus.
- Additionally, pedestrian-friendly routes will be installed.
- To create a rainwater collection system, an effective waste management system, solar energy harvesting.
- To conduct a campus-wide tree planting campaign;
- To educate our staff and students on energy efficiency and environmental protection;

*Note: The Periodic review of this document will be done as on when required.*

- To raise awareness in the community about sustainable development, environmental protection, and efficient energy use.

All stakeholders will have access to this policy on the institutional website, and it will be distributed to staff and students through ERP and internal communication channels. The Institute director shall conduct frequent reviews of the environment and energy policy, objectives, goals, and targets.

Dr. Amarish Padma

IQAC-Coordinator

Dr. Kirti Dharwadkar

Director
