**Activity:** Eco Friendly Diwali (The idea is to spread awareness about the ill-effects of bursting crackers and its effect on the environment)

S. B. Patil Institute of Management this year also celebrated Eco-Friendly Diwali. The student of council members organized an event to celebrate eco-friendly Diwali. A poster making competition was organized on the theme "Eco Friendly Diwali" with an attempt to spread awareness about ill-effects of bursting crackers and its effect on the environment. Students and faculty members enthusiastically participated in the noble cause and made several motivating posters. They expressed its high time that we should start taking initiatives for protecting the environment. Thereafter many students expressed their views through slogan and poems and took pledge for eco-friendly and Green Diwali.

## POSTER DESIGNED BY STUDENTS

A rally was also taken out by the students in the nearby area of college campus where they urged people not to create noise and air pollution and celebrate Eco friendly Diwali. Students chanted slogans such as, “This Diwali Go Green”, “Say No To Crackers” , “ Clean World Green World”, “ Avoid Crackers”, “ Stop Child Labour In Cracker Factory”, “ Stop Pollution” , “This Diwali burst your ego not Crackers” etc. Students participated with great zest and had shown great enthusiasm during the entire event

We at SBPIM put efforts towards the improvement and development of society in some way or the other and impart moral values among students. With this objective, students of SBPIM decided to celebrate Diwali in an eco-friendly manner and sensitize the society about environmental pollution and health hazards. Dr. Daniel Penkar, Director SBPIM acknowledged students efforts for this noble cause of sensitizing society to prevent pollution by not bursting cracker this Diwali

## Topic: Awareness Program on Disposing Sanitary wastes

Date: 16<sup>th</sup> October 2018

SBPIM  
In association with Rotary Club

### Prakriti (Environment Protection) & Jagruti (Social Awareness)

Report on: Awareness Program on Disposing Sanitary wastes

In Collaboration: Rotary Club, Shivajinagar.

No of Students Participation: 43

As a part of ISR activity and supporting the concept of Swachh Bharat, SBPIM in Association with Rotary Club Shivajinagar organized an awareness session on how to Dispose Sanitary Waste.

*Swachh Worker with the sanitary waste*

Swachh Bharat and Clean India are matters of National Priority for every Indian. Pune and PMC's waste-pickers handle about 40 thousand kilograms of DIRTY DIAPERS and SANITARY PADS everyday, exposing themselves to diseases like Staphylococcus, hepatitis, E- coli, salmonella and typhoid. Sanitary waste is silent and a mounting problem in India. Every day, Swachh workers collect 6.5 lakh kilograms of waste from over five lakh houses of Pune,

which they hand-segregate into dry and wet waste. Out of that, 3 per cent is sanitary waste, meaning they handle nearly 40 thousand kg of dirty diapers and Sanitary pads every day. The Red Dot Campaign was launched by My Rotary Club in association with Swachh (NGO which has waste pickers from all over Pune District), which segregates "Sanitary Napkin Waste" from normal solid waste.

Female staff and students of SBPIM attended the session which was conducted by Mrs. Anjali Gadgil from Rotary club, who spoke about the seriousness of the issue of disposing sanitary waste properly in order to protect the health of the Swachh workers and also help in cleaning the environment clean. Dr. Smita Jog also addressed the health related issues of the female staff and students.

### *Methods to Dispose Sanitary Waste*

*Female staff and Students engrossed in the session*

*Swachh Bharat Abhiyaan*

As a part of ISR activity, group of 84 students volunteers participated for extending services towards the society at Ganesh Talav by guiding people and maintaining cleanliness on the occasion of Ganpati Visarjan . This was noble initiative by the institute as a contribution towards the society, to make the environment clean and pollution free.

This activity was conducted in collaboration with Local Corporator **Shri.Raju Misal Ex-Dy. Mayor PCMC** and Health Officer (Pradhikarn) **Bapu Saheb Gaikwad**, who guided the students on following issues like:

- To make the devotees aware the significance of cleanliness.
- To carry on the visarjan activity hassle free, by maintaining systematic process on entry and exit at Ganesh Talav.

- Need to preserve the natural water bodies not to pollute them by nirmalya, disposing the nirmalya appropriately in bins.
- Taking care that no sound pollution is caused by devotees by dhol, tasha at the premise.

The students carried on the activity with full zeal and enthusiasm, in sun and in rain for long hours for social, environmental and religious cause. Many devotees blessed the students for carrying on this generous activity, which made things convenient for all.
