HEALTHSPRING
FAMILY HEALTH EXPERTS

Dear Manager, / Director

*S.B. Patil. Institute
of Management, Pune*

Greetings!

It gives me great pleasure to introduce Healthspring - Family Health Experts to you, which is set up by some of India's best doctors to address an increasingly large void in the Indian Healthcare scenario: that of high-quality, organized primary care (out-of-hospital care) that is consistent, meets international standards of care, is focused on patient convenience and safety and has the highest levels of ethics and transparency.

Our 1st Healthspring center was launched in September 2011 at Goregaon- East, followed by, Kemps Corner, Khar (W), Powai, Andheri (W), Vashi, Thane, Parel, Shivaji Park, Mulund, Borivali, Cuffe Parade, Malad and we have also launched our centers in Pune Kalyani nagar, SB road, Aundh, Viman nagar, Senapati Bapat Road and now also opened our outlet which is in Pimple saudagar Kokane Chowk.

Each of our centers is staffed by full-time physicians (typically 4) who are well-qualified, well-trained, and practicing care as per the latest International Protocols from the National Institute of Health and Clinical Excellence (NICE) International, UK.

The centers have all routine facilities under one roof, including a high-quality pharmacy, routine diagnostics and minor procedures room. We have a focus on patient convenience and safety, with on-time appointments, electronic medical records, and high-quality spaces. The centers work from 8 am to 9 pm.
