in PCETCampus.

S.B.Patil Institute of Management organized a

Lecture on 18th August 2019 in association with Rotary Club of Akurdi.

Dr.Chandrakant Kanse was the speaker for the day.

More than 200 participants all over the PCMC area attended the lecture.

Dr. Kanse said that through diet changes and weight loss, you may be able to reach and hold normal blood sugar levels without medication. It is possible for some people to go years without trouble controlling their glucose and the health concerns that come with diabetes if insulin, medication, weight loss, physical activity and changes in eating result in normal blood glucose that means their diabetes are well controlled and their risk of developing diabetes complications is much lower. A diet of vegetables, nuts, seeds, beans, and fresh fruit can prevent and even reverse diabetes while promoting long-term health.

Report on **Safety Riding Training**

Date – 26th September 2019

STOP ACCIDENTS, BEFORE THEY STOP
YOU...!!!

Honda with “**Respect for human life**” as the basic concept understands this and has positioned Safety as one of its most important themes. As Safety concern is very low amongst the Indian riders & accident rate is high, Honda has taken up this as a Challenge and is committed to improve driving standards of two-wheeler riders in India as a social obligation towards society.

As two-wheeler riders accounts for second largest victims of accidents & as many of the students & employees use two wheelers for commuting, we need to work together for the safety of them.

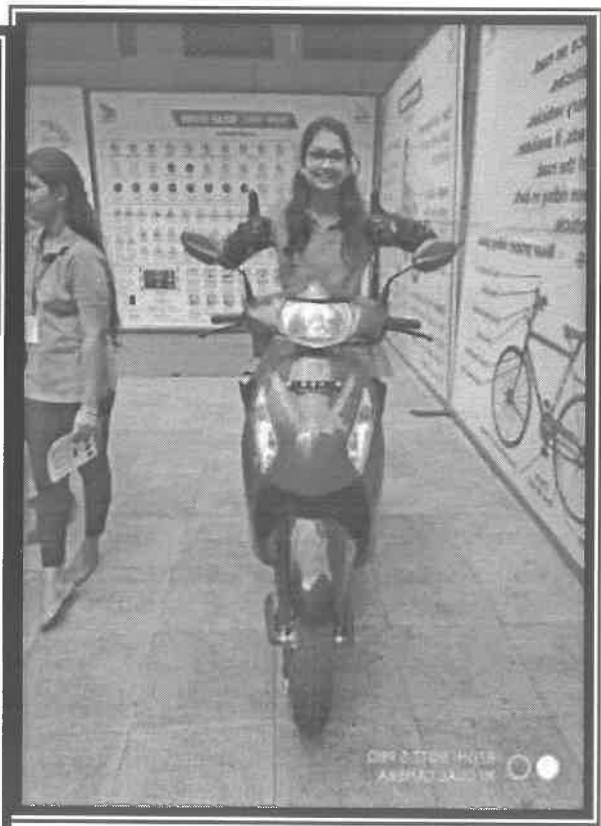

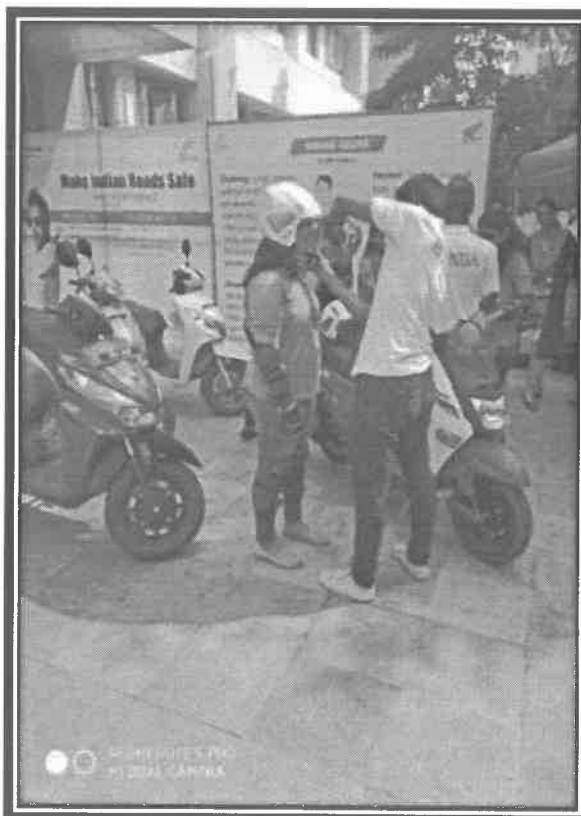

Hence, Honda has organized session on “**Safety Riding Training**” in the premises of **S. B. PATIL INSTITUTE OF MANAGEMENT** on **26th September 2019**.

Mr. Swapnil Jawharkar from Honda gave **Two- Wheeler Defensive Training** to the students of IInd Year.

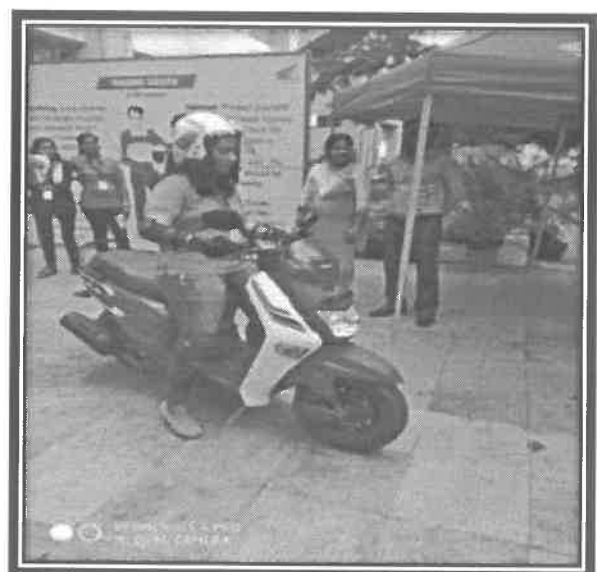

He informed about all the **Precautionary** steps to be taken while driving from the **Safety Perspective**.

Dr. Swapnali Kulkarni, Dr. Kajal Maheshwari, Dr. Anuradha Phadnis and Dr. Amarish Padma were present as **Faculty Members** for this training session.

All the Students along with Faculty members, enjoyed the training session with the take away that **“PRECAUTION IS BETTER THAN CURE”**.

The Training Session was conducted successfully and it was appreciated by all.

Date : 11th January 20 (9 am to 6 pm) ,26th January 20, 29th,30th &31st January 20 (Yuvotsav)

S.B.P.I.M in association with Seva Sahyog had organized an exhibition cum sale of the artifacts and eco friendly products produced by Seva Sahyog. On 11th January SBPIM had organized an FDP for the faculty member all over Pune. The number of participants for the faculty Development programme got an opportunity to visit and buy eco friendly hand made products made by the people at Seva Sahyog. The Exhibition cum Sale provided an extensive collection of eco friendly products from underprivileged people of Indian Society. The employees working at Seva Sahog are women from most from the underprivileged area of the society. This initiative was to help over 500 women to unleash their inner abilities towards financial independence. Our 18 students volunteered for the event helping for promotion, marketing and even selling the products. Also around 13 faculty members and all the non-teaching staff were directly involved and actively participated in the exhibition.

It is our ISR practice under Jagruti initiative that we sensitize our stakeholders towards the wellbeing of the society and underprivileged people. This kind of Exhibition cum Sale was helpful for participants as well, as they explored diverse art and craft. We got an overwhelming response from the participants who purchased many eco friendly products from the exhibition cum sale, making our efforts fruitful as being a medium to help Seva Sahyog with the sale of the products. Many participants took the contact numbers for future association with Seva Sahyog for the supply of folders and other kits for their various official events like national conference etc.

About Seva Sahayog Foundation:

Seva = Service, Sahayog = Cooperation

Seva Sahayog Foundation has been serving for over 10 years towards the development and welfare for the underprivileged section of the urban slum lives. Seva Sahayog Foundation started operation in the year 2005 as a Not-for-Profit company and are registered under Section 8 (Old Section 25B) of the companies act. Seva Sahayog Foundation aims at engaging socially conscious corporates, groups and individuals, with NGOs of matching interests with a purpose to collectively add value to the society at large.

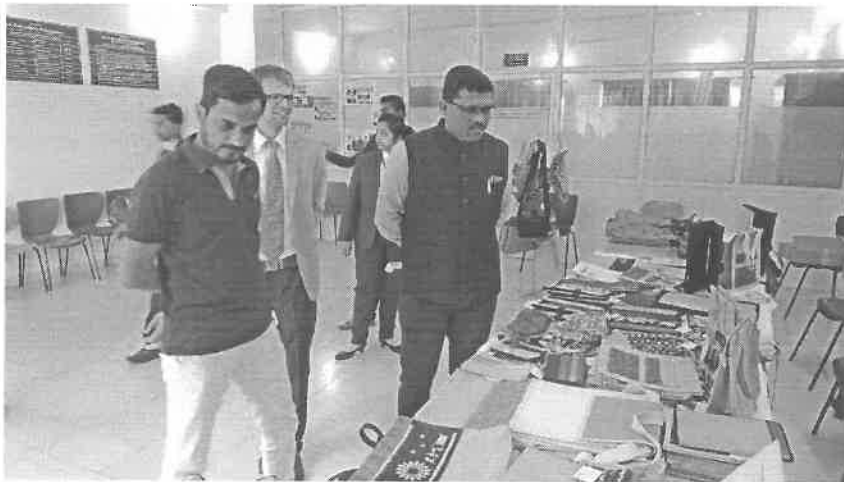

A similar exhibition cum sale was arranged on 26th January 2020 and was open for all PCET group, where again we received overwhelming response. Also due to the response a similar exhibition was arranged at the annual Inter college sport event Yuvotav where various colleges participate for different sports events like football and basketball. The response during this event was also very overwhelming and thus SBPIM could meet the objective of promoting Seva Sahyog and its hand- made eco friendly products
