The day has been set aside to remember the courageous martyrs who gave their lives in defence of the nation. The Father of the Nation, Mahatma Gandhi, was killed on January 30, 1948, during his evening prayers in the Birla House by Nathuram Godse.

Dr. Aishwarya revealed that the nation celebrates Martyr's Day on the day Bapu passed away, and the ministers assemble at Rajghat to honour Mahatma Gandhi. In remembrance of the Indian martyrs, there is a two-minute silence nationwide. SBPIM is committed in improving as a social obligation towards society, we discussed about expectations from the citizens of India today and what are their rights and how important is the gift of freedom that we have received from these Martyrs.

Brief Information of the Event: -

A single drop of blood can make a huge difference.

With this intention in mind SBPIM had organized an awareness session on importance of blood donation and issues in Thalassemia. On National Youth Day, 12th January 2023 ISR committee and Rotaract Club of SBPIM arranged for this session to make the youth know the difference they could make any someone's life. Dr. Kirti Dharwadkar gave the welcome address and appreciated that the youth showed enthusiasm towards this noble cause. Next Dr. Purnima Rao Senior doctor with Sahayadri Hospitals threw light on the myths of blood donation and cleared all the doubts in the minds of the students related to blood donation.

Common Myths related to Blood Donation:

1. Blood donation ups the risk of HIV and other infections.
2. Donating blood can make you sick
3. Older adults cannot give blood
4. If someone is taking medication, they cannot donate
5. You can only give blood once each year
6. You cannot donate if you have high blood pressure

Dr.Purnima Rao then spoke about Thalassemia which is an inherited (i.e., passed from parents

to children through genes) blood disorder caused when the body doesn't make enough of a protein called hemoglobin, an important part of red blood cells. Thalassemia is a treatable disorder that can be well-managed with blood transfusions and chelation therapy. She urged the students to Donate blood as much as possible as the thalassemia patents require blood frequently.

People with thalassemia produce either no or too little hemoglobin, which is used by red blood cells to carry oxygen around the body. This can make them very anemic (tired, short of breath and pale) and lead to many serious health issues. To conclude Dr.Purnima Rao said it is very important to check your partners for thalassemia before getting married.

On the occasion of World Heritage Day, SBPIM to support the

Swachh Bharat Abhiyaan had organized cleanliness drive at Fort Indur which is located at Talegaon Dhabade. A group of 23 young enthusiastic students of MBA 1st year volunteered for the cleanliness of a fort near Talegoan Dabhade. Fort Induri is one of the many Land forts of Maharashtra state in India. Situated close to the hill station Lonavala and 35 km north of Pune, Indori fort rises to an elevation of 1,033 m (3,389 ft) above sea level. The fort is located on the banks of Indrayani river. The fort was under the Maratha empire for the majority of the time. Indori fort was built by Sarsenapati Khandojirao Yesajirao Dabhade in the year 1720-21, The fort also has a mint building inside the fort which is in a dilapidated state.

Students collected plastic cans, bottles and wrappers from the fort, and handed over it to the waste collection vehicle.

The drive was coordinated by Dr.Aishwarya Gopalakrishnan and Dr.Iram Ansari

Name of the Student Coordinator: - NA

Brief Information of the Event: -

“The constitution is not a mere lawyer’s document, it is a vehicle of life and its spirit is always the spirit of age.”

To commemorate the Constituent Assembly of India's adoption of the Indian Constitution in 1949, November 26 has been declared Constitution Day since 2015. On November 19, 2015, the Indian government published a gazette notification designating November 26 as Constitution Day. On October 11, 2015, Indian Prime Minister Narendra Modi made the announcement as he laid the cornerstone for the B. R. Ambedkar Statue of Equality memorial in Mumbai. Dr. Ambedkar, who presided over the Constituent Assembly's drafting committee and was instrumental in the constitution's writing, celebrated his 131st birthday in 2021. This day was once recognised as Law Day. The 26th of November was selected to raise awareness of Ambedkar's ideals and the value of the constitution.

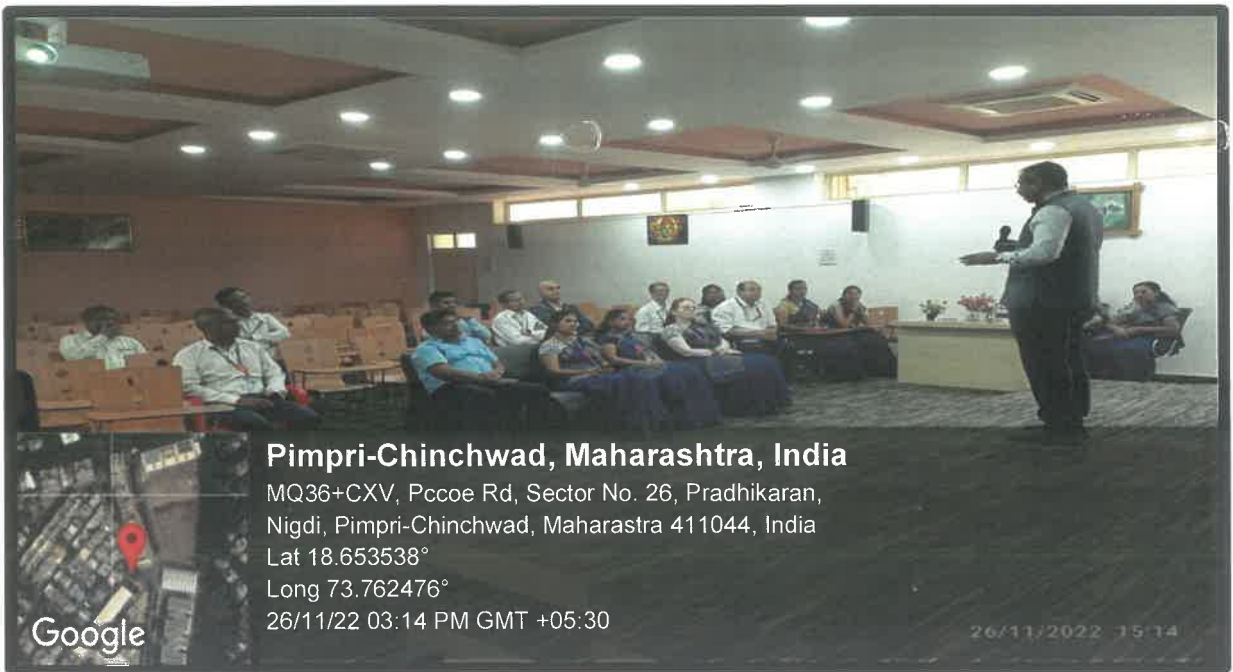

Keeping this wonderful thought in mind, the faculty and staff at PCET's S. B. Patil Institute of Management organized a pledge taking session on the “**National Constitution Day**” or “**Samvidhan Divas**” considering the importance of day to the history of India and its constitution.

Keeping it in mind SBPIM has designed a lot of such awareness programs for its employees to create awareness about the Nation and its most important days of celebration. The session started with a welcome speech given by Dr. Aishwarya Gopalakrishnan, She welcomed all the faculty and staff who joined for the session. She also invited the Director Dr. Kirti Dharwadkar to give the opening remarks on the importance of the Indian constitution to the country and its citizens. Dr. Purushottam Wadje was invited to share his thoughts as well. In his session, he spoke about the History of India, the development and creation of the constitution, why there was a need for it and also the importance it holds in our day to day lives.

SBPIM is committed in improving as a social obligation towards society. He talked about expectations from the citizens of India today and what are their right. Mr.Swapnil Sonkamble also gave brief information about the role played by the constitution and in the lives of its citizens.The session ended with question answer session answered by Dr.Kirti Dharwadkar and Dr.Purushottam Wadje. Dr.Pranita Burbure offered the vote of thanks.
