Sub: Offline Entrepreneurship Awareness Camp at your Educational Institute.

Respected Sir,

Maharashtra Centre for Entrepreneurship Development (MCED) works as a catalyst for Developing Successful Entrepreneurs for social Advancement. Entrepreneurs are both risk takers and wealth creators. While many of them fall on the wayside, some of them create enormous wealth for themselves as well for the nation.

With shrinking organized job market and growing population of the youth, entrepreneurship has become the dire need for the country. If self – help is the best help, then self employment is the best employment and ENTREPRENEURSHIP, the most exciting level of self-Employment. In entrepreneurship, you work for yourself, achieve a target or goal set by yourself & reap the satisfaction of having achieved the goal yourself.

Entrepreneurship is not a matter of heritage, it is entirely a manifestation of such potentialities that any individual born in any caste community & class can have. As such any person having a certain set of behavioral traits and mental amplitudes in him/her can become an ENTREPRENEUR besides there is no need for such a person to be groomed from the very childhood for becoming an Entrepreneur. Even if he is grown-up, has worked on different line and has developed these traits or aptitudes, he or she can be groomed & developed as an Entrepreneur through counseling and motivational measures.

One of the best measures for motivation, counseling & awareness is training program. Hence we appeal you for supporting us in organizing our 3 day Entrepreneurship Awareness Camp, which of course is well defined as per the enclosed details of subjects, max participation of students and the budget of EAC, objective, methodology etc.

Your consent for organizing EAC at your college of Pune city may please be conveyed to us.

Thanking you,
Yours faithfully,
