Brief Report

PCET's S.B. Patil Institute of management has organized one day **Session on Production Planning & Control (PPC) & Career Opportunities in OSCM** on January 29, 2024.

The inauguration program was graced by felicitation of Dr. Sarang Dani who is an experienced academician with industry focus. He has over 10+ years of academic and industrial exposure all together in techno-commercial field. He is pursuing excellence in management specifically 'Supply Chain Management', 'Capital Markets', 'Start-ups' 'UN-SDG' through industry academia collaboration. He is on a mission of building the nation with "Management Education" by building the foundation of youth of India. He has a lead auditor certification of ISO 9001 and ISO 21001 (EOMS). An active investor and believer of Indian capital markets. His hobbies include listening to classical music and Marathi music, capital market tracking, reading blogs and constructive articles.

The objective of this session was to aim on achieving efficient utilization of resources such as material, man, and facility etc. in the manufacturing organizations

through planning, coordinating and control the production activities that transform the raw material into finished products. And career opportunities in (OSCM) Operations and supply chain management (OSCM) manages an organisation's operations and supply chain. It includes planning, coordinating, and controlling all activities involved in producing and delivering a company's products and services.
