

### About the College:

Government Engineering College, Haveri is established in the year 2007 by Government of Karnataka with the sole intention of imparting technical education to the rural mass and down trodden at reasonably cheaper rate so that it can elevate the life standards of rural people. The dream of Govt. of Karnataka is well realized through structured efforts put forth by a dedicated team of the institution.

Government Engineering College, Haveri which comes under the administration of Department of Collegiate and Technical Education Bangalore is affiliated to VTU Belagavi and is recognized by AICTE New Delhi. The college is offering four under graduate courses in Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering, Computer Science and Engineering with an intake of 60 in each course. In 2011, the college has started post graduate course in Structural Engineering and Machine Design in 2014 with an intake of 18 as VTU extension center. Department of Mechanical Engineering and Civil Engineering are also recognized as research centers to carry out researches which lead to Ph.D degree.

The college has dedicated, well qualified, sincere and student friendly staff who are putting their heart and soul in their teaching and are giving the best to the student community. Office staffs are joining their hands in the developmental activities of the college. Most of the laboratories are well developed with basic facilities and few are under developmental stage. The ladies hostel and staff quarters are constructed and are ready to occupy.

The college is situated on a small hillock of 33 acres land and is surrounded by many water bodies in a village called Devagiri, which is 08 km from Haveri town.

### About the Department:

The Department of Mechanical Engineering started with the inception of the college in 2007. The department offers Undergraduate, Post graduate and Research Programs. It has well equipped laboratories with state-of-art equipment's. The students excel in academics under the constant guidance of highly qualified, experienced and dedicated staff. The graduating students are well placed in industry as well as in academia mainly through the campus placements and also by direct recruitments. Good facilities are available for carrying out research work in various fields of mechanical engineering. The department has produced good number graduates and post graduates and lot many researchers are under progress.

### ATAL Academy:

AICTE Training and Learning (ATAL) Academy is established with the vision "To empower faculty to achieve goals of Higher Education such as access, equity and quality". AICTE is committed for development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development. Council understand that there is a need to train the young generation in skill sector and having faculty & technicians to be trained in their respective disciplines. Training is required for increasing the knowledge and

skills of students to make them more employable to acquire global competencies

### Course Objectives:

- To understand the concept of leadership.
- To discuss about qualities of leader.
- Discussing various functions of leader.
- Discussing characteristics of effective people.
- To discuss ethics and unethical behaviors.
- To learn decision making skills.
- To understand Deming philosophy

### Who can participate?

Faculty members of the AICTE approved institutions, research scholars, Government and Industry are invited to participate in this Programme.

### Registration:

Participants can sign up and register for the programme in AICTE ATAL website links:

<https://www.aicte-india.org/atal>

OR

<https://atalacademy.aicte-india.org/signup>

### Important Dates:

Last date of registration: 05<sup>th</sup> Sept., 2020

FDP dates: **07<sup>th</sup> to 11<sup>th</sup> SEPTEMBER 2020**

### Faculty Development Programme:

ethics, Deming philosophy and decision making. The course also highlights on strategic planning and communication.

### **Resource Persons:**

#### **Dr. Arun Y. Patil**

Assistant Professor,  
KLE TECHNOLOGICAL UNIVERSITY,  
Hubli, Karnataka

#### **Dr. Suresh. D. Mane**

Principal  
Girijabai Sail Institute of Technology,  
Karwar, Karnataka

#### **Mr. A. H. Sagar**

Studied at University College London and  
University of Edinburgh Scotland.  
Scientific Researcher and International  
Educationist.

#### **Dr. Jagadish. G. Kori**

Professor & Head, Civil Engg., Dept.,  
GEC, Haveri, Karnataka

#### **Dr. Shirish. M. Kerur**

Professor, Jain College of Engineering,  
Belagavi, Karnataka

#### **Dr. K. B. Prakash**

Principal  
GEC, Haveri, Karnataka

### **Chief Patrons:**

Sri. Pradeep P.

Commissioner,  
Department of Collegiate and Technical Education  
Bangalore

Sri. H.U. Talawar

Director,  
DTE, Karnataka

### **Patron:**

Dr. K.B. Prakash,  
Principal, GEC, Haveri

### **Conveners:**

Dr. Jagadish G Kori Dept. of Civil. Engg

Dr. Arun K.V, Dept. of Mech. Engg.

Prof. Dhulappa Chavan Dept. of CS Engg

Prof. Rajashekar U. Dept. of E&C Engg

### **Coordinator:**

**Vishalagoud. S. Patil**

Assistant Professor,  
Dept of Mech. Engg., GEC, Haveri

### **Organizing Committee:**

Dr. Jairaja R. Dept. of Mech Engg.

Dr. Gireesh Huchannavar Dept. of Civil Engg.

Prof. Sangamesh Sajjan. Dept. of CS Engg.

Prof. Basavaraj Rabakavi Dept. of E&C Engg

Prof. Shabana Banu. Chemistry dept.

### **Venue:**

Online Platform Application.

**AICTE Training & Learning (ATAL)  
Academies Sponsored  
One Week  
Faculty Development Programme  
on**

**“LEADERSHIP & EXCELLENCE”**

**07<sup>th</sup> to 11<sup>th</sup> SEPTEMBER 2020**

**Organized by  
Department of Mechanical Engineering  
Government Engineering College, Haveri,  
Karnataka**

Ph: 08375-283323. Fax: 08375-283347
