### On-line FDPs

During the lockdown period (due to covid-19), some FDPs will be in online mode. These on-line FDPs are meant for decision makers of the universities and colleges only.

Once you register for such an on-line FDP:

1. Eligibility will be validated (For each FDP, there is an expected list of roles. E.g. an FDP for VCs and UCs or an FDP for directors/principals, dean students, UHV Cell coordinators and so on.)
2. The first 100 (or whatever the limit for that particular FDP is) participants will be confirmed on a first-come-first serve basis
3. For eligible registrations, an email confirmation will be sent from IPOC to the email ID you have used to register. This email will have the link to join the online FDP. This email will also have a link to fill the pre-FDP survey. You must fill the pre-FDP survey to be eligible to participate in the on-line FDP.

### Important notes for on-line FDPs:

Since we are all getting familiar with on-line interaction, please go through these notes carefully. If you have any issues, please call the tech support of your college or university (there is no tech support available at the resource person end)

1. You may have to load the online Zoom application on your device you will use to join the FDP. Please do this well in advance
2. To sign in to Zoom, please use the same email ID that you have used to register. If you use any other email ID, you will not be able to join the FDP. E.g. if you used your college email ID, please use the same to join the FDP. Similarly, if you used your personal email ID, please use the same to join the FDP
3. Please enter a brief screen name which includes your designation and college. The screen name field is quite small, so be precise. The screen name will appear on the screen when you talk.
4. Please watch a video on "Tips on how to attend a Zoom seminar" to prepare yourself in advance

### Live FDPs

- Please plan your travel accordingly. Intimate your travel plan and accommodation request to the LPC well in advance.

### Please note:

1. Accommodation and food (breakfast, lunch, dinner and 2 teas) will be provided for outstation participants during the FDP dates. Accommodation is subject to availability, on a first-come first-served basis.
2. Food (lunch and 2 teas) will be provided for outstation participants during the FDP dates.
3. The travel cost of the participants attending the workshop will not be borne by AICTE
4. This FDPs is of an integrated nature, hence attendance in all sessions is essential to grasp the contents in their wholeness. Attendance will be taken in every session.
5. AICTE will issue certificates only to those participants who have 100% attendance, and who complete and submit their self-evaluation and feedback forms.

### Type of FDPs:

- The 3-day FDP-SI (UHV) is to provide an overview of Universal Human Values-I UHV-I Module of the Student Induction Program (SIP)
