TO WHOMSOEVER IT MAY CONCERN

At Pimpri Chinchwad Education Trust (PCET) we are committed to maintaining a clean and green campus. There is a separate team of gardeners and workmen specially employed to take care of planting, gardening & maintenance of the Green Campus. Since our campus boasts of lush greenery and well maintained plants, we also make it a point to participate in competitions organized by the Pimpri Chinchwad Municipal Corporation (PCMC).

The PCET Trust has several Institutes on Campus only one institute is permitted to represent the PCET Trust for the PCMC Competitions. For 2023, Pimpri Chinchwad College of Engineering (PCCOE) represented the PCET trust and won the following awards on behalf of all the Institutes on campus:

1. Received Award from PCMC for Tree Plantation on campus on 10th -12th March-2023 (Third Prize) (Category Garden Area More than 1 Acre)
2. Received Award from PCMC for Tree Plantation on campus on 10th -12th March-2023 (Category-Overall)

Since the campus and its premises are shared, the awards and laurels received for campus maintenance are equally shared by all Institutes under PCET.
