(Dr. Kirti Dharwadkar Welcome and felicitating Dr. Shailesh Kasande)

Dr. Kirti Dharwadkar, Director welcome and felicitated Dr. Shailesh Kasande. We also address the participants on the topic importance of Review of Literature.

Dr. Kasande talked about the literature review and the insights about how systematic was of carrying out literature review. He explained the difference between Literature Review and Systematic Literature review. He said that literature reviews require only one database or source, systematic reviews require

more comprehensive efforts to locate evidence. Multiple databases are searched, each with a specifically tailored search strategy.

Dr. Kasande provided the hand on training session on tailored search strategy for the research database and research papers in a group.

In post Tea session Dr. Kasande invited the participants group for the presentation.
