The seminar was conducted by Dr. S. B. Yadav, Assistant Professor, CKT Arts, Commerce and Science College, New Panvel.***

# SIP ORIENTATION PROGRAMME

## *Orientation program for Summer Internship Projects*

*March 15, 2014: Research Cell of S.B. Patil Institute of Management has conducted an orientation program for Summer Internship Projects. This programme was conducted to help students understand first how to choose specialization and then a general introduction about the SIP was given to them.*

*In this programme, Dr. Daniel Penkar-Director, SBPIM explained in details about the project, its objectives and also briefed the students about the importance of doing it if the students put their heart and soul into this. He also explained the positive impact of doing their projects and how it plays a vital role*

*in getting the final placements. Since this course is last mile stone in the education path of most of the students, certain anxiety was there regarding how to choose their respective specializations. As any wrong decision could make or mar their future career.*

*Therefore, Dr. Penkar gave them thorough guidance for the same and also answered the queries for the same. After him, Dr. H.D. Thorat-Head, Research Cell, took charge of the event and briefed the students about the whole mechanism of programme. He also explained to them the scheduling of the whole project and He had given presentation with the help of PPT on Research Methodology which contained A to Z of how to do Research in Management. Through him a message was conveyed to students that if they are not doing it sincerely or present half-cooked projects, they have to bear the consequences of the same.*
