Pimpri Chinchwad Education Trust (PCET) was established by Late Shri. S. B. Patil in the year 1990 with a vision to provide value added educational platform to the society in multiple dimensions from Nursery to Doctoral programs in all professional streams enabling students to achieve freedom through education. It is situated at a very approachable location near Akurdi Railway Station, Nigdi, Pune. PCET is a well-established and time tested brand in the field of education since 1990. PCET's boards of trustees are Dnyaneshwar Landge, Chairman, Vitthal Kambhor, Secretary, Shantaram Garode, Treasurer, Harshwardhan Patil, Trustee, Sayyad Ismile Kazi, Trustee, Padmatil Bhoisile, Trustee and Girish Desai, Executive Director-PCET.

Founded in the year 2009, S.B. Patil Institute of management has emerged as one of the best institutes for Management studies in Pune and has elevated Pune's rank as an educational hub. Since its inception, the institute has progressed to become a name of trust in the Management education, where students and their parents both have trust in SBPIM. At SBPIM, the curriculum not only includes theory based studies but also focuses on research and case study based acquisition of education so that when students face real life business challenges, they have the adequate practical knowledge to deal with the same. This enables them to come up with inventive solutions and assume responsibility.

Academics

At SBPIM students are stimulated to understand organizational behavior and how to efficiently manage limited resources to attain maximum fulfillment, to develop leadership skills and creative decision-making. SBPIM has best academic results among the top B-Schools under Savitribai Phule Pune University.

Activities are planned for MBA students throughout the year according to need and current trends of business world. SBPIM constantly strives to fulfill their vision of structuring young minds into successful managers and entrepreneurs of tomorrow. SBPIM has a Ph.D research center and many scholars are doing Ph.D in various management disciplines. The center publishes 'JOMAT', a biannual research journal.

Industry Institute Interaction

SBPIM also combines academic theory with real-life business cases, corporate mentorship program, where in corporate delegates interact with students through various sessions which equips students with the awareness, knowledge, tools and techniques that are essential for dealing with business challenges. Industry Institute Interaction in which corporates are always willing to give updates, contributing significantly which helps honing their technical, conceptual and human skills in their respective discipline.

other activities conducted to sharpen their management skills. By the end of the course, the students are ready to face the dynamic market field and get absorbed by big companies in the Campus Recruitment Program (CRP). Owing to the extensive training that the institute administers, S.B. Patil has acquired the trust and confidence of various employers. Students are placed in companies like ICICI group, Steris, Vodafone, Mahindra Finance, Gallagher and many more contemporary business houses.

Various reputed companies provide internship opportunity to the students such as Mercedes Benz, Bharat forge, Mather & Platt, Tata DOCOMO, Raymonds and many more. In the past two years not only the number of companies offering jobs has gone up but the packages offered to students in the form of cost to company (CTC) has also improved drastically.

Faculty

The institute recruits highly accomplished faculty to provide excellent academic guidance to its students. S.B. Patil Institute realizes the importance of having a good faculty, as in most cases interest of the student in subjects is governed by the competence of the teachers and hence a faculty training program is held for them through which they are coached in the latest trends in the corporate world along with innovative methods of teaching. The faculty maintains a cordial relationship with the students so as to make them feel at ease to approach them with any queries, especially since most of the students come to Pune from distant places for their education.
